Dear Brian,

Following on from our conversation on site last week, I am pleased to write to you regarding our appreciation for the good efforts demonstrated by your team here at HMP Garth.

It goes without saying that there general attitude has been fantastic, you can be proud of them, they have also demonstrated a good understanding towards Health & Safety, it has been a pleasure in conveying our appreciation to you.

A Very Merry Christmas and A happy New Year to you all.

Regards,

Harbi Sidhu,
